NOTIFICATION

Attention: All Head of Institutions, students and other concerned

In partial modification of our previous notification vide No. L/PR/200/2024 dated 13.05.2024, this is to inform all the stakeholders that the students who were not successful/could not appear in Class XI Annual Examination till the Academic Session 2023-2024, must continue Class XI academic curriculum (i.e. Semester I and Semester II) with newly introduced Semester System from the Academic Session 2024-2025. The existing registrations of those students have already been cancelled from the end of Council. So, the schools need not come to the Council for surrendering the registration certificates of those students, rather the schools should retain the cancelled registration certificates with them.

The concerned institutions must register those students afresh with the Council under new Semester System by visiting the Council website through the institution login by clicking on the **RE-REGISTRATION TAB** within the duration as mentioned in the Notification vide No. L/PR/234/2024 dated 06.06.2024.
